**There are no 1 Day gate prices listed. With the new "Teired" pricing strategy there are many. Please see the information attached for those prices involved. At this time our 1 Day products are good on any day.**

1 Day Base Ticket expiration dates are 15 December 2022.  
 1 Day Hopper Ticket expiration dates are 30 December 2022.

However, keep in mind, for the multi day products this would be the last valid day for activation. Given the 14 day usage window, their expiration would actually be 12 January 2023.
