Regular admission Disneyland ticket products are date driven and are considered as Teired Gate Pricing. Checking the calendar is a must for better ticket price comparison.

Gate prices are not provided due to this new "Teired" pricing strategy. This means there are multiple price points available.

Until further notice admission reservations are required. The guest should check park availability by visiting disneytraveltradeinfo.com/dlrcalendar

If you have a Park Hopper ticket, you must make a park reservation for the first park you plan to visit and enter that first park prior to visiting the other park. You may cross over and switch between parks beginning at 1:00 PM that day, subject to capacity.
