Knott's Scary Farm is the largest and most haunting Halloween event in Southern California, with unimaginable scares and innovative thrills that can't be found anywhere else. The fully transformed theme park features uniquely haunted mazes and attractions, sinister shows, and more than 1,000 horrifying creatures lurking in the fog and hiding in every corner of the park. These haunted attractions have the ingredients of a truly terrifying nightmare. But unlike most dreams, Knott's Scary Farm is a nightmare you can't wake up from – which makes it the thing to do for Halloween.
